Date:
Friday 14th November 2025

We've had a wonderfully busy and exciting few weeks in school! PTA Science Day was a fantastic success, with children across the school arriving in the most inventive and imaginative costumes—thank you to all the families who helped bring their ideas to life. We were also incredibly proud of our Year 6 pupils, who led our Remembrance Assembly with maturity and respect, explaining the significance of the occasion before the whole school joined together for a thoughtful two-minute silence. Meanwhile, our Reception children enjoyed an inspiring Superhero Day, topped off by a special visit from one of our parents, who is a nurse, to talk about real-life heroes in our community. From a sporting perspective, pupils have been busy representing the school in a badminton festival as well as taking part in both netball and football matches, showing great teamwork and determination. With lots more planned for the next five weeks, we look forward to sharing even more wonderful learning and celebrations with you soon.
