As we reach the end of another successful school year, it is a wonderful opportunity to reflect on all that our children have achieved. We are incredibly proud of the progress they have made, not only in their learning but also in the many ways they have grown as kind, resilient and confident individuals. Their successes, both in and out of school, have been truly inspiring. This year has not been without its challenges. Many of our families and members of staff have faced difficult times, and we are grateful to be part of such a caring and supportive community. The kindness, understanding and encouragement shown to one another have been a real strength throughout the year. There have been so many memorable moments that have made this year exceptional. From sporting achievements and academic successes to outstanding performances in the arts and countless other opportunities, our children have embraced every challenge with enthusiasm and determination. There are simply too many highlights to mention individually, but each has contributed to making this a year to remember. Thank you to all our families for your continued support. We wish everyone a happy, relaxing and safe summer break and look forward to welcoming you all back for another exciting year in September. We also wish our Year 6's the best of luck at secondary school. d

We continue to strive to improve attendance and our parent meetings will continue in summer term to discuss attendance that falls significantly below expectation. Attendance remains an area of focus to ensure that we are meeting national expectations as much as possible.
Parents are reminded; term time holidays are not authorised. From September 2026 fines will be issued to families taking holidays during term time.
