Belmont News

Date:
Friday 21st March 2025

With the end of spring term fast approaching and the weather finally improving, we have continued to be impressed with the learning outcomes of the pupils both in and out of the classroom.
This afternoon, we hosted a science fair to showcase the many impressive science investigations and experiments created by pupils across school. All classes had the opportunity to visit the hall to see these in action with the inclusion of many innovative and creative ideas. The hard work and effort on display was phenomenal and hugely impressive. Do head over to our X page or website to see some of the entries.
Our Year 6 girls took part in the Charlton Athletic Community Trust tournament coming 5th out of 14 schools and demonstrating such amazing sportsmanship by cheering on the remaining schools in the semi-final and final. We look forward to a busy end to

Pupil Voice

Here is what the children have to share about the science fair…

Lucia .C *"I think that the science fayre was really, really good and I think that all of the project was very impressive."*
William – *"I enjoyed walking around the fayre because everyone worked really hard to produce something amazing."*
Jenson *"I liked how everyone had different scientific ideas."*
Reggie-Ray *"I really enjoyed walking around the fayre and seeing the wide range of exciting science experiments on display which I enjoyed getting involved in."*

Notices

Parent Support:

A huge thank you to the parent who regularly delivers bark chippings to the school. They are well utilized in our outdoor areas.
We are currently asking for donations of large planters that we can use to create wildflower areas around school. If you have any that are no longer used please do contact Mr Haswell/Mrs Richardson via the school office. .

Diary Dates:

Tuesday 25th and Thursday 27th March: *Parent/Teacher consultations – please remember to book via Parent Mail*

Thursday 27th March – *PTA Special Persons Sale (please send in money in named envelopes)*

Friday 28th March – *Year 2 trip to London Zoo*

Better Together, Together

Community/School Links:

Supporting good sleep for children and young people:
Is your child struggling to sleep at night? Do they find it difficult to go to sleep?
A recent SHEU survey found that 25% of pupils said that they "always" felt tired during the day.
Research shows that sleep deprivation has a negative impact on physical, mental and brain health.
If your child is struggling to sleep there are a variety of websites and organisations that offer advice, resources and support including The Sleep Charity, NHS, Great Ormond Street and Cerebra.
Please see the attached information leaflet for links and further information.

Attendance and Punctuality:

School attendance is mandatory for all pupils
This year we continue to have high attendance aspirations for all pupils and have set our whole school attendance target at 96%

Last week, our whole school attendance was 95.1% which is in-line with national but below our target. Hepworth and Seurat classes had the best attendance with 98% - well done pupils in both of these classes.

This week our whole school attendance was 95.1% which is in-line with national but below our target. Brunel class had the best attendance with 100%. Well done to the pupils in Brunel Class.

Parents are reminded, term time holidays are not authorised and will result in a fine.
