Belmont News

Date:
Friday 22nd May 2026

As we begin the final half term of the year, it has already been a busy and exciting time across the school. Our pupils have enjoyed a range of memorable educational visits, including Year 1's trip to Hall Place, where they explored local history and nature, and our Pupil Parliament representatives' inspiring visit to the House of Commons. Year 6 also had a wonderful opportunity to visit the Globe Theatre, bringing their learning to life through the world of Shakespeare. We are especially proud of our Year 6 pupils for completing their SATs this week with such determination and resilience; we know how challenging the tests can be and they should all feel very proud of themselves. Alongside this, many year groups have taken part in trips and sporting events, and we are now looking forward to sports days, summer activities and preparing the children for a successful transition into the new school year.

Community Links & News:

The Big Future Survey:
Every child has the opportunity to have their say! Dame Rachel de Souza – Children's Commissioner has launched this survey giving children the chance to have their say on what it's like to be a child or young person in England today. She is keen to gain feedback from children from 0 to 18 across the county and plans to take the responses to the Government, to help them to make life better for children.
Access the child friendly survey by clicking the link:

Attendance and Punctuality:

School attendance is mandatory for all pupils.

This year we continue to have high attendance aspirations for all pupils and have set our whole school attendance target at 95.5%.

Attendance this week: our attendance this week was 93.9% which is below national and below our target. Hepworth class had the best attendance with 98%, well done Hepworth Class.

Attendance for week ending 15/05: our attendance was 94.5% which is below national and below our target. Gormley class had the best attendance with 98.3%, well done Gormley class.

We continue to strive to improve attendance and our parent meetings will continue in summer term to discuss attendance that falls significantly below expectation. Attendance remains an area of focus to ensure that we are meeting national expectations as much as possible.

Parents are reminded; term time holidays are not authorised and will result in a fine.
